LEGENDARY RENEGADE QUALITY 2020
VIENNA

**EXTREME LUXURY
EXTREME PURPOSE
EXTREME DURABILITY**

VIENNA 25FWS VANILLA FROST INTERIOR DÉCOR WITH OPTIONAL BURNISHED SABLE CABINETS, PREMIER CABINET PACKAGE FINISH, AND SLIDE-A-BED SOFA.

Vienna is changing the perception that a compact motorhome needs to feel small inside. The “no compromises” approach not only rivals much larger motorhomes for living space...it has no equal when it comes to interior quality and functionality. Notice the floating countertop edge design with LED accent lighting, Ultraleather seating surfaces, and maple hardwood cabinets.

NEW CABOVER BED MODELS AVAILABLE

New for 2020, the Vienna interior decor is sleek and modern, with European-style cabinets using flush inset lower doors and radiused upper doors, residential style seating with buttery-soft Ultraleather fabrics, and a new cabover loft design option that offers a 48" x 80" sleeping berth, creating 3 distinct sleeping areas.
