Renegade VILLAGIO by Renegade

Sophisticated and polished, the Villagio will elevate your journey near or far. This RV is crafted with high end details such as solid hardwood cabinets, polished surface counter tops and solid nickel fixtures. It also has spacious overhead and over cab cabinets to ensure you have plenty of storage so you can bring along all the comforts of home. The Villagio although compact in size is large in details and luxury and doesn't disappoint.

Featured to the left:

Shown here is the 25RMC with our Honey Maple cabinetry that gives the coach a fresh and bright feel inside. You will find a spacious kitchen countertop and a huge pantry for all your road-trip goodies. There's a large bathroom with a wardrobe closet that will make you feel like you are right at home. The Murphy Bed is very comfortable and when not in use gives you even more seating as a cozy couch
